CS shall also be responsible for arranging the manpower required for the conduct of examination.
- (ii) The CS shall prepare well in advance, the statement regarding seating arrangements for the candidates (Table +Chair) as below:
  - (a) A definite seat for each candidate in good condition with a card containing roll numbers of candidate fixed on it.
  - (b) Examination halls with seating capacity more than 40 shall be preferred.

## BIKANER TECHNICAL UNIVERSITY, BIKANER

- (c) As far as possible, candidates appearing in the same subjects should not be allowed to sit together (at least side by side). (Floor area per seat recommended is approx. 25 sq. ft.)
- (d) A plan of seating arrangement showing the position of candidates (according to their roll number) in each room for each day must be displayed at accessible place for the examinees & copy of the same shall be sent to CoE together with the dimensions of each room along with the diary of CS.
- (iii) General instructions that are made available to each candidate should be pasted on notice board & candidates should be advised to read them carefully before appearing for examination.
- (iv) CS shall check requirements (if any) for additional material to be supplied to examinees during examination such as - Drawing sheets, Steam tables, IS codes etc. and keep them ready for distribution to examinees.
- (v) He shall ensure that the list of detained students is received from the concerned Head of the institute to which the examinees belong.
- (vi) Before giving answer-books to the candidates, the facsimile seal of CoE shall be affixed on answer-books/answer sheets on the space specified for the purpose using blue ink only. In addition to this, one of the alphabet stamps shall be affixed on the space earmarked for the purpose using blue ink only. The following rules shall be observed for putting the alphabet stamp: -
  - (a) Only one alphabet stamp shall be used on all the answer books for a particular day of examination.

  - (f) The CS shall ensure the confidentiality of alphabet stamp to be used on a particular day.
  - (g) The CS shall maintain a correct record of serial number and alphabet seal used on the answer-sheet every day.

This is intended as a precaution against blank answer-books being smuggled into the examination hall. If the Centre Superintendent finds any answer-book in bad shape, he is requested not to issue such answer-books to the candidates to avoid any manipulation.

## BIKANER TECHNICAL UNIVERSITY, BIKANER

Answer-books should, therefore, in no case be stamped in larger quantity than required for each day's use so that if by any chance blank answer-books are stolen at a centre and afterwards smuggled into the answer-books collected at the end of an examination the absence of the particular alphabet stamp of the day on their title covers might at once prove them to be contraband. At an institution, which is a centre for several examinations of the University, the CS shall ensure that answer-books of different examinations are not mixed up. A consolidated statement of the answer-books used should be sent to the CoE after the examination in the prescribed CS Diary. The balance of unused answer-books and other papers may be kept at the centre in safe custody under lock and key for next year's use.

- (iii) The name of examination, subject, paper, date and time noted on the envelope should also be checked with the programme of examination and the discrepancy, if any, should be brought to the notice of the CoE immediately.
- (iv) If the packet containing question papers does not reach at least one day before the commencement of the examination, the CS should contact the CoE without delay.
- (v) University may also adopt various measures to handover/deliver the question papers on the same day of examination in order to conduct fair and smooth examinations.
- (vi) All packets of question papers should be kept in strong room with sealed lock. The CS shall be solely responsible for the safe custody of the QPs at his/ her centre.

### **R-8.5 On the day of Examination**

#### **R-8.5.1 Before commencement of Examination**

- (i) On the day of the examination, the relevant sealed packets of the QP shall be taken out from the strong room not earlier than half an hour scheduled for the commencement of the examination in the presence of DCS and one or two other officials.

## BIKANER TECHNICAL UNIVERSITY, BIKANER

- (iii) Opening of envelopes containing question paper (QP):
  - a. The envelopes containing question papers must be opened in the main examination hall (containing maximum number of students) by the CS himself after examining the seals in the presence of candidates and other witnesses and not in his office or any other room.
  - b. Before an envelope is opened, the CS and other witnesses should sign the prescribed certificate pasted/ printed on each envelope. Each person should sign legibly and give his designation below his name.

The heading should be checked very carefully in order to see that no other paper which is fixed for a later day or a later hour is mixed up. If such a paper is found, it should be sealed properly in an envelope and kept along with the envelopes containing copies of the same paper and the fact reported to the CoE. The CS should check the heading printed on the first page of all the copies of the question papers. To facilitate this checking, suitable "catch letters" are printed at the left hand top corner of the first page of each question paper.
- (v) After opening the question paper packets, the CS shall arrange to put the question papers required for each block/each room in separate cover, which shall contain actual number of papers as per the number of candidates taking the examination in the block/room.
- (vi) The packet with the required number of answer books and other stationery supplements will be handed over to concerned room superintendents to take to the examination hall as soon as they report for duty (i.e. 45 minutes before on the first day of commencement of examination and 30 minutes before on successive days/sessions). The RS are to be present in the respective examination hall at least 30 minutes before the commencement of the examination on first day and 15 minutes before on subsequent days/sessions.

## BIKANER TECHNICAL UNIVERSITY, BIKANER

### **Warning note**

All the candidates in the examination hall should search desks, tables, their pockets and other belongings before the issue of question papers and handover to RS, if any paper notes/ manuscripts or written material are found.

However, within half an hour of commencement of examination such candidates are allowed to take examination after ascertaining that no candidate had left the examination hall till then or as per the instructions/notification issued by the university in this regard from time to time. No extra time should be given to such candidates.
- (iii) Candidates are not to be admitted to the examination hall unless their names appear in the printed roll list sent separately. CS shall ensure to inform the candidates to bring their admit cards with them which should be inspected every day as far as possible and returned after inspection.
- (iv) The CS shall ensure that all eligible candidates appear in examination i.e. no one having a valid admission card mentioning the subjects for which he is eligible for appearing in the examination is detained.
- (v) If any candidate, whose name appears in the printed roll list, forgets to bring his/her admission card or loses it and does not succeed in getting its duplicate copy from the University office in time, he/she may be admitted to the examination after ascertaining the validity of

## BIKANER TECHNICAL UNIVERSITY, BIKANER

the claim (given in writing by the candidate), the CS shall issue a provisional admission card valid for that day only) on a payment as notified by the University from time to time. No guarantee will be given for the custody of such articles. Bringing mobile phones into the examination hall shall be strictly prohibited. This fact shall be well noticed to the candidates. The CS shall also instruct the RS not to allow mobile phones and any study material, notes in the examination hall under any circumstances. The candidates shall be solely responsible for bringing such articles at the examination centre.
- (vii) Pre-entry search of the candidate should be ensured by the CS for any unlawful material to prevent use of unfair-means in the examination. It will be obligatory on the part of the examinee to submit such search. Such search can be made during examination time also. This may be notified to the candidates for the information.
- (viii) Candidates should prepare themselves for giving search physically to the officials appointed by the university/CS for the examination purpose, if they are asked to do so during the examination.
- (ix) The CS shall ensure that no candidate who is actually suffering from an infectious disease, such as small-pox, plague, influenza etc. or who, though convalescent, is not free from infection, is allowed to sit for the examination. If such a candidate is noticed after the examination has begun, immediate steps should be taken to see that his papers are destroyed and that other disinfecting measures are carried out.
- (x) Use of Scientific Calculator is permitted. However, programmable calculators (one which has memory capacity of more than six numbers) are not permitted.

  - (c) Immediately after the distribution of question paper to the candidates the CS (through ROs) should collect all spare copies of question papers left with the RS and check the number of spare copies with the number of question paper received minus the number of examinees present. No spare

## BIKANER TECHNICAL UNIVERSITY, BIKANER

copy of the question paper should be left in the hands of the RS or allowed to go outside the examination rooms till at least two hours after the commencement of examination, If a candidate wishes to leave the examination room earlier, he should not be allowed to take question paper with him. It should be handed over to the RS, to be returned to the candidate after the examinations is over. Similarly, no candidate should be allowed to take the question papers with him while going out to urinal.

- (d) Some extra copies of question papers are always sent but if ever the number of copies of a question paper fall short and therefore, the question paper cannot be supplied to some candidates, the paper may be got photo copied and given to them and as much extra time as is taken in distributing photocopy paper be allowed to them for answering the paper and the matter shall be reported to the CoE at once. However, extra time should not be allowed to other candidates to whom printed papers are given in time.
- (e) In case a candidate asks for a question paper in an optional/elective or an alternative subject, not offered by him according to the entry in the printed roll list, he may be given the question paper he asks for but he should be clearly warned with an undertaking that if it is found afterwards that he had taken a question paper, not actually offered by him according to his declaration in the application form, his examination in that paper shall be liable to be cancelled. The CS should, however, try to satisfy himself by a reference to the entries in the application form with him that the candidate is not asking for a wrong question paper. All such cases should be immediately reported to the University.

### R-17 Grace marks

#### R-17.1 B. Tech

Presently examinations of B.Tech courses are being held under SGPA/CGPA scheme wherein relative marking pattern is used to calculate the result, therefore, no grace marks shall awarded to a candidate of B. Tech courses. In future, if university changes/replace the relative marking scheme then grace marks will awarded as per R-17.2 to a candidate for B.Tech courses.

#### R-17.2 B. Arch/BHMCT/M. Tech/MBA/MCA Courses

Grace marks to the extent of 1% of the aggregate marks prescribed for an examination will be awarded to a candidate failing in not more than 25% of the total number of theory papers, practical's, sessional, dissertation, viva-voce and the aggregate, as the case may be in which minimum pass marks have been prescribed; provided the candidate passes the examination by the award of such Grace marks. For the purpose of determining the number of 25% of the papers, only such theory papers practical's, dissertation, viva-voce etc. would be considered, of which, the examination is conducted by the University. **The Grace marks awarded at component level (Wherein minimum passing marks are prescribed) shall be notionally carried forwarded to the total marks of relevant theory papers, practical's and sessionals, dissertations, viva-voce and the aggregate only, for the purpose of calculation of grace marks, if required.**

N.B.:- If 1% of the aggregate marks or 25% of the papers works out in fraction, the same will be raised to the next whole number. For example, if the aggregate marks prescribed for the examination are 450, grace marks to the extent of 5 will be awarded to the candidate, similarly, if 25% of the total papers is 3.2, the same will be raised to 4 papers which grace marks can be given.

General:-

- A candidate passes in a per/ practical or the aggregate by the award of grace marks will be deemed to have obtained the necessary minimum for a pass in that paper/ practical or in the aggregate and shown in the marks sheet to have passed by grace. Grace marks will not be added to the marks obtained by a candidate from the examiners nor will the marks obtained by the candidate be subject to any deduction due to award of grace marks in any other paper/ practical or aggregate.
- If a candidate passes the examination but misses First or Second Division by one mark, his aggregate will be raised by one mark so as to entitle him for the first or second division, as the case may be.

## BIKANER TECHNICAL UNIVERSITY, BIKANER

This one mark will be added to the paper in which he gets the least marks and also in the aggregate by showing +1 in the tabulation register below the marks actually by the candidate. The marks entered in the marks-sheet will be inclusive of one grace mark and it will not be shown separately.

- c. Non appearance of a candidate in any paper will make him ineligible for grace marks. The place of a passed candidate in the examination list will, however be determined by the aggregate marks he secures from the examiners, and he will not, by the award of grace marks, become entitled to a higher division.
- d. Distinction won in any subject at the examination is not to be forfeited on the score that a candidate has secured grace to pass the examination.

Note: - The Grace marks will be awarded only, if candidate appears in all the papers prescribed for the examination.

### **R-18 Supply of statement of marks**

The statement of marks will be supplied after the publication of the result of an examination.

### **R-19 Revaluation**

- (i) A candidate who wishes to apply for revaluation of his answer-book(s) must submit his application in the prescribed form together with the requisite fee to the Principal of the college, where candidate is studying, before expiry of 15 days excluding the date of the declaration of his examination result. ## BIKANER TECHNICAL UNIVERSITY, BIKANER

- (iv) Change of grade point of individual candidate after the revaluation will be independent and shall not affect the grade point of other students.
- (v) Notwithstanding the aforesaid provisions, revaluation of answer-books shall not be permitted in respect of (i) the scripts of practical examination/sessional/periodical tests, dissertation, thesis and viva-voce and boycotted papers.  
N.B.: (i) 'Boycotted Papers' means the papers in which a candidate having boycotted the examination earlier is allowed another chance to appear.

However, if a candidate wants his /her answer-books of any other paper also to be scrutinized he/she will have to apply for the same separately in accordance with the provisions of these rules. In such cases if the marks of the candidate, in any paper(s) are increased as a result of scrutiny; a reference shall be made to the candidate only if his/her result is changed favorably in pre-revaluation scrutiny i.e. from fail to supplementary (back papers), supplementary to pass, pass to II<sup>nd</sup> Div. and II<sup>nd</sup> Div. to I<sup>st</sup> Div., or if there is an increase of at least 20% of marks in pre-revaluation scrutiny. In other cases the answer-books will be sent for revaluation without making a reference to the candidate. In such cases where the marks of the candidate in any paper(s) are increased favorably as a result of pre-revaluation scrutiny and thereafter if he/she does not want his/her answer-books(s) to be revalued, he/she will be permitted to withdraw his/her application for revaluation in which case his fee will not be refunded.
- (xi) If the award of the re-evaluator is more than the award of the Main Examiner subject to a limit of 20% of the maximum marks

## BIKANER TECHNICAL UNIVERSITY, BIKANER

prescribed for the paper, the award of the re-evaluator shall be taken as the marks obtained in revaluation.

In case the award of the re-evaluator exceeds the above limit of 20% of the maximum marks prescribed for the paper, the average of the marks awarded by the main examiner and the re-evaluator will be taken as the marks obtained with at least 20% of maximum marks as minimum, and 50% of the marks in excess of 20% be also added to the final award of the marks.

If on account of revaluation, the marks of the candidate decrease, then the average of the marks awarded by the Main Examiner and the re-evaluator shall be taken as marks obtained subject to the condition that:

Such decrease upto 10% of the maximum marks will be considered as the final award of the marks, and his/her result/division is not adversely affected.

- (xii) The answer-book(s) shall not be subject to any inspection or production before any external or internal authority except at the instance of the Vice-Chancellor.
- (xiii) A candidate who is declared eligible for taking examination of back paper(s) as a result of revaluation shall be permitted to appear at the next main examination related to his/her back papers or if the same is already over, at the time of next main examination related to his/her back papers. Such a candidate will also be eligible to appear at the next higher examination as an ex- candidate, if such facility exists for the examination concerned.
