

Ref. No. F5/UCET/Exam/2023-24/322

Date 02/03/2024.

NOTIFICATION FOR Ph.D. DAT EXAM 2023-24

Applications were invited for admission to the Ph.D. program at various Research Centers of Bikaner Technical University for the academic session 2023-24, as advertised in the newspaper on September 13, 2023 (Ref: F(60)/Ph.D./BTU/2023/Advt./01). The deadline for application submission was September 30, 2023.

A recent notification (Ref: F(17)/BTU/DeanResearch/2023-24/411, dated January 1, 2024), issued subsequent to a decision made in the Research Board of BTU, has introduced following additional categories of candidates exempted from appearing in the admission test, supplementing those previously mentioned in the information brochure.

“All eligible faculty members/Staff Members of BTU and its affiliated colleges eligible employees of State Government/ Governor House and to increase the institute industry interaction eligible employee from industries will be exempted from the Ph.D. entrance exam of BTU Bikaner under the sponsored category and having minimum five years of working experience.”

So, fresh applications are invited solely from candidates eligible under the aforementioned categories. Those who have previously applied need not reapply unless they wish to avail themselves of the new exemption, in which case they must submit a new application form without an additional application fee (Submit the details of fee submitted earlier).

Further it is notified to the candidate, those applying under sponsored category and availing exemption from BTU-DAT 2023-24, that provisional certificate mentioned in Clause 15 of the UGC regulation 2022 prior to award of actual degree, will be provided as per BTU ordinances applicable in due course of time.

Last date for application form submission: 11.03.2024 up to 5.00p.m.

BTU DAT 2023-24 Examination date (for non-exempted category):17.03.2024 from 10.00 a.m. to 12.30 p.m. at Bikaner Technical University Campus.

The updated information brochure, application form is available on BTU website.
