- (A) The supervisors registered in Physics, Chemistry, Mathematics, or any other related science stream are allowed to be co-supervisors for related topics in the field of Engineering. For this, the student must be eligible for applying in an Engineering discipline and if he/she requires the assistance of science stream, then faculty members of Physics/chemistry/Mathematics can become his/her co-supervisor after proper justification in front of DRC.
- (B) Further it is to be noted that supervisors registered in Computer Application (MCA) will guide only in MCA.
