To,
The Principal / Director,
Engineering College,
Bikaner

Subject: Regarding Change of Exam Center for Engineering College Bikaner from 30th March 2024 and onwards.

Dear Sir,

I am writing to inform you about a significant change regarding the upcoming examinations.

After careful consideration and due to various issues concerning the conduction of examinations at Engineering College Bikaner, it has been decided to change the exam center for all students previously designated to your institution. Henceforth, the new exam center will be Bikaner Technical University.

Effective from 30th March 2024 and onwards, all students whose exam center was originally Engineering College Bikaner are required to report to Bikaner Technical University for their upcoming examinations. This change is imperative to ensure the smooth and fair conduct of examinations for all students involved.

Additionally, it is to inform you that the exam center at Engineering College Bikaner will be temporarily suspended for one year. Consequently, it will not be utilized for any examinations conducted by Bikaner Technical University during this period.

I trust you will communicate this change to all the students promptly to avoid any inconvenience. This order bears the approval of Higher Authorities.
